Kristofer Tonström, CEO and President: *With a strong sales development in all home markets, we achieved a total organic sales increase of 8 per cent in March. We see time and time again how customers appreciate the breadth of our offering of affordable everyday products, and we have clearly strengthened our position in all prioritised product niches in March. We are now looking forward to a spring with a continued high pace of product range renewal, including several new products for the outdoor season, such as solar cell lighting and garden machines.*

Clas Ohlson was founded in 1918 as a mail order business in Insjön, Sweden. Today we are a retail company with customers in multiple markets, approximately 5,000 co-workers and annual sales of approximately 12 billion SEK. Our share is listed on Nasdaq Stockholm. A lot has happened since the start in 1918, but one thing has remained the same over the years; that we want to help people fix their homes with practical and sustainable solutions at attractive prices. Visit about.clasohlson.com/en to read more about us and how we make home fixing available, sustainable and enjoyable for everyone.
