

Today Clas Ohlson opened its new Compact Store in Märsta, Stockholm

Earlier today, Clas Ohlson opened a new store in the smaller store format, Compact Store, in Märsta outside Stockholm.

As the name suggests, Clas Ohlson Compact Store is smaller than an ordinary Clas Ohlson store, but still filled with a wide assortment of smart products and solutions. The store also offers Clas Ohlson's rental concept from which the customer can rent quality tools.

"This is an area which we have had our eyes on for quite some time and it feels great to finally be able to open up a store in Märsta. Preparations for the opening have been going on for months and the project team has done a fantastic job," says Fredrik Uhrbom, Country Manager Sweden.

Clas Ohlson Compact Store in Märsta has a retail space of approximately 450 square meters.
