

## Clas Ohlson's new store in Arninge opens

**Clas Ohlson's new store in Arninge in Täby, outside Stockholm, opened at 10 a.m. this morning. The store is Clas Ohlson's second location in Täby.**

"We are very excited to open our new store in Arninge and to become even more accessible in northeastern Stockholm. Arninge is a strong retail hub that is easy to reach, and the store will be a great complement to our other locations in northern Stockholm," says Andreas Helgesson, Country Operations Manager.

The new store offers 1,177 square meters of retail space and is centrally located within the retail park.

"Together with our other stores in northern Stockholm and our rapidly growing e-commerce platform, it will be easy for customers to access our wide and affordable range of home improvement products," says Andreas Helgesson.

This is Clas Ohlson's eleventh store opening out of thirteen planned for the current fiscal year, ending on April 30. During the 2025/2026 fiscal year, the store network is set to expand with an additional 10 stores.

Clas Ohlson now operates 239 stores in total, including 102 in Sweden, 100 in Norway, and 37 in Finland.

### Future store openings

#### Sweden

Stockholm, Skärholmen – planned opening 9 April 2025

Uppsala, Boländerna – planned opening 24 April 2025

Kalmar, Kvarteret Giraffen – planned opening April 2026

#### Norway

Namsos, Bråholmen Handelspark – planned opening September 2025

*Clas Ohlson was founded in 1918 as a mail order business in Insjön, Sweden. Today we are a retail company with customers in three markets, approximately 5,000 co-workers and annual sales of approximately 10 billion SEK. Our share is listed on Nasdaq Stockholm. A lot has happened since the start in 1918, but one thing has remained the same over the years; that we want to help people to improve their everyday lives by offering practical and sustainable solutions at attractive prices. Visit [about.clasohlson.com/en](http://about.clasohlson.com/en) to read more about us and how we make home fixing available, sustainable and enjoyable for everyone.*
