

Clas Ohlson's Annual and Sustainability Report for 2019/20 now available

Clas Ohlson's integrated annual report for 2019/20 is now available at about.clasohlson.com.

The Annual and Sustainability Report is a summary of the past year with examples of how the company's strategy is put into practice and follows up on previously communicated financial and sustainability goals. A new feature of this year's report is that it is primarily designed for reading on screens. With a clear and simple navigation and clickable hyperlinks we are offering a more accessible and useful product for our shareholders and other stakeholders. The report also contains both standard and specific disclosures on sustainability aspects based on the GRI Standards. The scope is described in the GRI index in the report.

The Annual and Sustainability Report is available in both Swedish and English version. There is a limited edition of printed copies which can be ordered via telephone +46 247 444 00.

Clas Ohlson was founded in 1918 as a mail order business based in Insjön, Dalarna, Sweden. Today, we are a retail company with customers in five markets, about 4,500 co-workers, and annual sales of approximately 8.8 billion SEK. Our share is listed on Nasdaq Stockholm. A lot has happened since the start in 1918, but one thing has remained the same over the years; that we want to help and inspire people to improve their everyday lives by offering smart, simple, practical solutions at attractive prices.
