

Clas Ohlson opens third store in Uppsala

Another Clas Ohlson store has now opened in Uppsala. The new store is located in Boländerna, just outside the city centre.

"I'm incredibly pleased that we now have three stores in Uppsala. Boländerna is a strong retail destination and a great complement to our stores in central Uppsala and in Gränby shopping centre, says Andreas Helgesson," Country Operations Manager.

The new store opened this morning and drew significant interest from customers. It features a sales area of 1,167 square metres and occupies a prominent position at the western entrance to Boländerna.

"We're now highly accessible in Uppsala, offering a broad and affordable range for home improvement," says Andreas Helgesson.

This opening marks Clas Ohlson's thirteenth new store in the current financial year, which ends on 30 April. In the 2025/2026 financial year, the store network is expected to grow by approximately 10 additional locations.
