

New Clas Ohlson Compact Store opens on Södermalm, Stockholm

At 10 a.m. today, Clas Ohlson opened a new store in Ringen shopping centre, on Södermalm, Stockholm.

The new Compact Store is a store in a slightly smaller format but is still full of clever solutions and products as well as offering services such as tool hire and printing photographs via Fujifilm.

“This is our second Compact Store on Södermalm. We have learnt a lot from our store in Hornstull and we believe that the store format will be ideal for Ringen shopping centre and Skanstull, so it is fantastic that the store is now open,” says Fredrik Uhrbom, Country Manager Sweden at Clas Ohlson.

The Clas Ohlson store in Ringen shopping centre has a retail space of approximately 300 square metres and a customer base of approx. 35,000 inhabitants.
