

Clas Ohlson expands in Drammen with a new store

This morning, Clas Ohlson opened a new store in Drammen, south of Oslo. Clas Ohlson now has three stores in Drammen.

"It feels incredibly exciting to continue growing in Drammen and open a third store. The new store is very easily accessible and allows us to now cover the entire Drammen municipality," says Rune Johansen, Country Operations Manager.

The new store is located in CC Drammen shopping centre in eastern Drammen and has a sales area of 860 square meters. The store offers the entire Clas Ohlson range, including storage and cleaning products, technology products, and products for building and repairing.

Clas Ohlson also has a store in Buskerud west of Drammen and a store in Gulskogen Senter, just outside central Drammen.

"It will be very convenient for the people of Drammen to shop for what they need for their home projects," says Rune Johansen, Country Operations Manager.

The store opening is Clas Ohlson's second opening in Norway in 2024. During the year, an additional four store establishments are planned in Norway. For example, a new store will open in Alti Eikunda in Egersund, which will be Clas Ohlson's hundredth store in the Norwegian market.
